Delhi Transport Corporation
Office of the Chief General Manager(Operations)
I.P. Estate : New Delhi

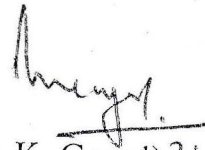

No.CGM(O)DTC/2015/1372-1377

Dated:31.7.2015

3-8-2015

It has been observed that in some depots AC buses are being preferred for outshedding instead of non AC buses in case of non availability of staff or less scheduled outshedding on Saturdays, Sunday and holidays. It is a known factor that AC buses consume more fuel as compared to non AC buses and therefore, the fuel cost is more in AC buses than non AC buses.

All Regional Managers shall, therefore, suitably advise their Depot Managers to keep the aforesaid factors in mind while outshedding the buses.

(A.K. Goyal) 31.7.2015
Chief General Manager(O)

All Regional Managers

Cc to:

1. MD with reference to the discussion held in the HODs meeting on 30.7.2015 pl.
