No.CGM(O)DTC/2015/1837-1886

Dated:17.9 .2015

The instructions have time and again been issued to ensure that no medically fit driver is deployed on desk duty i.e. other than bus duty. But still several instances are found where medically fit drivers are deployed on desk duty which has been viewed very seriously.

All RMs/DMs shall ensure that no medically fit driver is deployed on desk duty and all such drivers be utilized for line duty so that no bus is held up for want of drivers.

All RMs shall send written compliance report after taking from their Depot Managers within three days of issue of this letter.
