No.CGM(O)DTC/2015/ 431-490

Dated:23.4.2015

I visited one of the depot and noticed that large number of regular employees are being given compensatory rests in lieu of duty performed by them on the buses deployed on police hiring. The buses on police hiring go for couple of days and therefore, the regular employees deployed on these buses continue to be entitled for CR which they avail later on. This is adversely affecting the outshedding of the depots due to non availability of the staff.

All RMs/DMs are, therefore, advised that the contractual drivers should be preferred for deploying on the buses going for police hiring so that the regular drivers are available regularly for other duties.
