

**DTC: CENTRAL WORKSHOP-I: BBM: DELHI-9.**

No. CWS-I/DY. CGM (M)/Plng./2017/140

Dated: 03-10-2017

Sub:-Testing & Re-certification of CNG Cylinders of DTC Standard Floor  
CNG Buses as per the provisions of the Gas Cylinders  
Rules -1981 & 2004 for year 2017-18.

As per provisions of Gas Cylinder Rules 1981 & 2004, it is mandatory that the CNG cylinders installed on the motor vehicles are re-tested and re-certified by the concerned agencies authorized by Chief Controller of Explosives, Govt. of India, Nagpur after expiry of every 3 years period.

All D.Ms. of Standard Floor Depots are authorized to get the cylinder testing done at their own level from the approved CNG cylinder testing stations after completing codal formalities as and when required on previous or below tender rate of CNG cylinders testing during the year 2014-15.

A copy of the earlier orders indicating tender rates and list of authorized/competent CNG cylinder testing stations of Delhi and NCR are enclosed.

This has the approval of the competent authority.

Encl:-As above.

All D.Ms. (Standard Floor Bus Depots).  
R.Ms. (North, West & East).
