CIRCULAR

Sub.: Addition of feature in DOA for duties performed without using ETMs

It is informed to all Depot Managers that if due to unavoidable circumstances, a duty is performed without issuing ETM to the Conductor, then, the AFCS does not generate an Electronic Waybill. In such circumstances, after completion of duty, the cashier does not get any opportunity to enter cash value from sale of manual tickets (which is 100% from manual sale of tickets in such cases). This results into incorrect 'Output Reports' from AFCS.

To overcome this problem, a mechanism has been developed enabling the Cashiers to enter cash value from sale of manual tickets of duties, which are performed without ETMs. The procedure for the same would be explained by the team of Coordinating Officer & Team Leader of Integrating Agency during hands-on training to be done as per circular issued vide circular of even no. 30 dated 19.04.2017.
