NO.TR/HQ/I/127/2012/94

Dated : 13-1-2012

CIRCULAR

It has been observed that the Drivers of low floor buses are opening the doors of buses at Red Lights and allowing the passengers to get down. This may result into serious accident. Therefore, instructions be issued to all drivers that they shall open the doors of low floor buses only at designated bus stops.

Several complaints are also coming about the passenger balance not being paid to the commuters due to non-availability of Change with the Conductor. In order to tackle this problem, the following message shall be displayed above the conductor seat in all DTC buses.

"Please tender the exact amount of fare"

All concerned are requested to get the above message displayed for the convenience/safety of commuters.
