I.P. ESTATE: NEW DELHI**

No.CGM(Op.)/2013/ 02

Dated: 02-01-2013

It has come to the notice that many Officers/officials are interacting unauthorisedly with Media. As per terms & conditions of Services (Regulation) 1952, interacting with Media without permission, amounts to misconduct and it may attract disciplinary proceedings against the concerned officer/official of the Corporation. Since, an Officer/official other than authorised person would not have complete and adequate information on the subject with the approval of the authority, the incomplete and inadequate information provided to the Media by any unauthorised person may cause damages to the Corporation on many counts. It is not in the interest of the Corporation that any Officer/official/worker other than authorized person, interact with the Media.

Therefore, all Officers/officials are advised not to interact or share any information with Media or any other Authority, until and unless one is authorized to do so. All Regional Managers/Depot Manager are requested to direct the crew especially not to talk to the Media until and unless authorised to do so. The Home Guard Authorities have also been requested to direct the Home Guards not to talk with Media, however, the Depot Managers may also brief the Home Guards also not to talk to Media or any other person outside the Corporation while they are on duty in D.T.C.
