No. Admin / societies /2013/ Acct Dept/ 44

Date-10-01-2013

Sub: - Scrapping of the system of remittance of society installments to the various societies after deductions from the monthly salary of the employee against loan taken by him / her after 1st Jan-2013.

At present, the loan taken by the DTC employees from any of the societies / various societies is being remitted by DTC after deducting from his / their monthly salary in installments.

Simultaneously, DTC is facing mainly following difficulties while dealing with these societies / in remittance of installments.

- A) Some of the depots are not feeding the installment (s) so deducted from the salary of any employee in the particular allotted society code due to which the recovery made against loan from the salary of the DTC employee goes to different society.
- B) In some cases, the employees are not willing to pay the installments against loan taken by them from the society citing one or the other reasons, due to which the society issues recovery notices against DTC leading to the legal complications.
- C) There is shortage of qualified staff in the depots as well as even in the corporate level. In such situation, the chances of wrong / excess payment are always there.
- D) There is no fresh recruitment in the clerical category since last twenty years and by the passes of time, the existing employees are not in position to tackle the present situation efficiently.

Considering the above, it has been decided with the approval of competent authority to discontinue this facility from 1st Jan- 2013 in line with a circular of GNCTD dated-14-09-2012. An employee, who takes loan from any society after 1st Jan-2013 shall deposit his loan installments on his own and the DTC shall not take any responsibility to deduct and remit the same to the respective societies. However, the loan installments of the employees who had taken loan prior to 1st Jan -2013 shall be deducted by DTC and remitted to the respective societies till the loan installments are exhausted.

Accordingly, all the depot / unit officers are requested to direct the employees of their depot / unit to deposit his / her loan installment(s) directly with the respective society and the corporation shall not deduct and remit any installment from his salary if loan is taken after 1st Jan-2013.

This has the approval of competent authority.
