Resolution No.49/2016: Item 47/2016: Request of Sh. V. K. Gupta, Dy.CGM (Mech.)(Civil) for filling the post of CGM (Tech.) by promoting the senior most candidate available in the cadre on regular/adhoc basis.

(Shri T.K.Verma, Dy.CGM (P) was called in.)

The Board in view of the position explained in the agenda item and detail discussion thereon, accorded approval to assign the Current duty charge of the vacant post of C.G.M. (Tech.) to Shri V.K.Gupta, who is presently holding the regular post of Dy. CGM (Mech.) w.e.f. 28.07.14 & is the senior most Officer in the Technical Wing as Dy.CGM (Mech.) subject to obtain the disciplinary, vigilance & criminal case pending position from the concerned Deptts. He is already drawing the salary of CGM due to grant of 3rd financial up-gradation under the MACP Scheme w.e.f. 15.1.2015 in the Pay Band-IV i.e. 37400+67000 + Grade Pay of Rs. 8700/-.

The Board further resolved that as it is not a regular promotion to the post of CGM (Technical), the relaxation of requisite experience meant for the said post of CGM (Tech.) as per the Recruitment Rules is not required in the case of Shri

V.K.Gupta, as he is only being assigned with the current duty charge of the post of CGM (Tech.).

He will be entitled to draw the same salary and emoluments of the post of Dy.CGM (Mech.) which he is holding on regular basis before the grant of current duty charge. No additional financial benefits entitled for the post of CGM (Tech.) will be given to him during the period he holds the current duty charge for the said post. He will not have any right on higher post or seniority just because of the said assignment of current duty charge.

The Corporation shall have the right to withdraw the current duty charge at any time without assigning any reasons thereof.

Resolution No.50/2016: Item 48/2016: Introduction of fully Electric AC Buses in New Delhi by Delhi Transport Corporation as Pilot Project.

(Shri Kamlesh Gupta, Dy.CGM (SBU) was called in.)

The Board was apprised of the contents of Agenda Item regarding proposal for purchase of Electric Buses with financial support from DHI as Pilot Project.

2. The Board was further informed that Corporation is operating one fully Electric Low Floor AC Bus of Chinese Company - BYD make on trial basis since last 1 ½ month in Millennium Depot-I and as per the feedback given by DM-(MD-I), the commuters response to this bus is good and this bus has covered up to 280 Kms. in a day on one time battery charging for about 5 hours in the night shift.

3. The Board made the following queries/ observations:

- i. Are fully electric AC buses covered in the Gazette Notification of DHI as brought out in Para-II of Agenda Item?
- ii. How much demand incentive has been proposed by DHI for purchasing pure Electric Buses and what is the criteria

adopted for proposing demand incentive of Rs.1.5 crore per fully electric bus by the DHI in the Agenda Item?

- iii. Evaluation of Life Cycle Cost of fully Electric AC Bus/ Cost Benefit Analysis needs to be worked out.
- iv. How this incentive will be released by the DHI to State Government?

4. On the above, the following information/clarifications were submitted:

- i. Fully Electric AC Buses are not covered in the Gazette Notification No. SO 830 (E) dated 13.03.2015 on Scheme for FAME – India of DHI and only CNG variant Mild Hybrid Electric Buses [HEV] [Advance Battery] & Strong HEV Buses [Advance Battery] are covered and the same has been mentioned in Para-II (xii) of Agenda Item.
- ii. About Rs.1.5 crore per electric bus in the form of demand incentive has been proposed by DHI and this figure has been incorporated in the Agenda Item on the basis of the approval given by Project Implementation & Steering Committee [PISC] on the proposal submitted by Himachal Pradesh Government to DHI for seeking financial support for purchase of 25 Electric Buses to the extent of 75% of the cost of bus i.e. Rs.1.5 crore per bus [total Rs.37.50 crore] as brought out in Para-I (i) of the Agenda Item. The Board observed that the financial grant approved to Himachal Pradesh Government per bus cannot be taken as the basis as grant in the form of incentives depends on the operating conditions of the State/ City, type of buses and demand of buses for the City for which the buses are being purchased.
- iii. No data is available regarding operation of fully Electric Buses for evaluation of life cycle cost as new technology of fully Electric Bus is being introduced in India which is not fully established yet. The Board observed that DHI may be approached for getting requisite data/ details with respect to electric buses for evaluation purpose.

- iv. As per the Gazette Notification of DHI, demand incentive will be released at two levels i.e. L-1 & L-2 as brought out in Para-II (xi) (xii) of the Agenda Item and details about L-1 & L-2 are not available in the Gazette Notification.

5. After detailed discussions, the Board resolved as under:

- (i) Evaluation of Life Cycle Cost/ Cost Benefit Analysis of fully Electric AC Bus and Hybrid Bus needs to be carried out for arriving at a decision on the purchase of fully Electric Buses as Pilot Project. For getting the requisite details about the Electric Buses, the Corporation may approach DHI [Nodal Agency for the Scheme FAME – India].
- (ii) Actual financial grant in the form of demand incentives proposed by DHI needs confirmation for purchase of fully Electric Buses as Pilot Project by Corporation/ GNCTD.
- (iii) The Level-1 and Level-2 be defined. The detailed clarifications about incentives proposed by DHI at Levels L-1 & L-2 for purchase of HEV/ Electric Buses be brought on record.
