

DELHI TRANSPORT CORPORATION  
OFFICE OF THE CGM(IT), IP ESTATE  
NEW DELHI-110 002

No.:Dy.CGM(IT)/2019/79/dy<sup>cgmit</sup>/183

Dated:- 23/09/2019

Sub:-Monitoring of Tracking of DTC Buses - Control of  
Over Speeding of Buses - Reg:

It has been desired by Hon'ble MoT that the services of presently installed GPS devices in all DTC buses be utilized completely. In this regard, a SOP vide No: DCGM(IT-II)/2019/240F/61/dcgmit/154 dated 19.07.2019 has already been issued to the RMs / DMs. Besides a detailed note mentioning all types of reports which can be generated from the G-Trac portal have also been issued by DCGM(O).

2. In order to prevent accidents of any nature and to improve the image of the Corporation, it is imperative to look into the irregularities of over speeding of buses. Therefore, all the RMs / DMs are required to generate reports of over speeding of buses from the G-Trac portal on daily basis and take up the matter with Service Providers as to rectify the malfunctioning of Electric Speed Governors fitted in the buses immediately.
